Disclaimer:

Based on the fund's portfolio returns as at 30th November 2025, the Volatility Factor (VF) for this fund is **10.92** and is classified as **High** (source: FIMM as at 10th December 2025). Moderate includes funds with VF that are above 10.405 but not more than 13.905.

The VF means there is a possibility for the fund in generating an upside return or downside return around this VF. The Volatility Class (VC) is assigned by FIMM based on quintile ranks of VF for qualified funds. VF is subject to monthly revision and VC will be revised every six months. The fund's portfolio may have changed since this date and there is no guarantee that the fund will continue to have the same VF or VC in the future. Presently, only funds launched in the market for at least 36 months will display the VF and its VC.
