Disclaimer:

Based on the fund's portfolio returns as at 31st October 2025, the Volatility Factor (VF) for this fund is 0.37 and is classified as **Very Low** (source: FIMM as at 11th November 2025). Very Low includes funds with VF that are above 0 but not more than 4.275.

The VF means there is a possibility for the fund in generating an upside return or downside return around this VF. The Volatility Class (VC) is assigned by FIMM based on quintile ranks of VF for qualified funds. VF is subject to monthly revision and VC will be revised every six months. The fund's portfolio may have changed since this date and there is no guarantee that the fund will continue to have the same VF or VC in the future. Presently, only funds launched in the market for at least 36 months will display the VF and its VC.

Investors are advised to read and understand the content of the Product Highlights Sheet (PHS) and Prospectus for AmanahRaya Syariah Income Fund dated 5th May 2022, which has been duly registered with Securities Commission Malaysia who makes no responsibility for its contents.
