

This Investor Suitability Assessment Form will guide you in choosing the unlisted capital market products that suit your investment objectives, risk tolerance, financial profile and investment experience. The information you provide will form the basis of our advice/recommendation. It is important to provide accurate and complete information to ensure that suitable unlisted capital market products are recommended according to your investment needs and objectives. Please note that any misleading, inaccurate, or incomplete information may affect the outcome of the recommendations. In such cases, the ARIM's Staff/Advisor may not be accountable for the advice/recommendation provided. You should also be aware of the risks involved in investing all or a large portion of your available funds, including savings and retirement funds, into a single investment product.
