	Since inception		3.77%	2.44%	2.58%	3.93%	4.53%
	[Launching Date: 23.04.2008]						
	ΝΟΤΕ						
H		_					

The calculations of Annual and Average Total Returns are based on the method obtained from Lipper Asia Ltd.

1 Capital Return (%) = [(End of period NAV price / Beginning of period NAV price) - 1] x 100

2 Income Return (%) = [Gross Distribution / NAV price on ex-distribution date] x 100

3 Annual Total Return (%) = Capital Return + Income Return

4 Average Total Return (%) = Total Returns / Number of Years Under Review

Past performance is not necessarily indicative of future performance and that unit prices and investment returns may fluctuate.

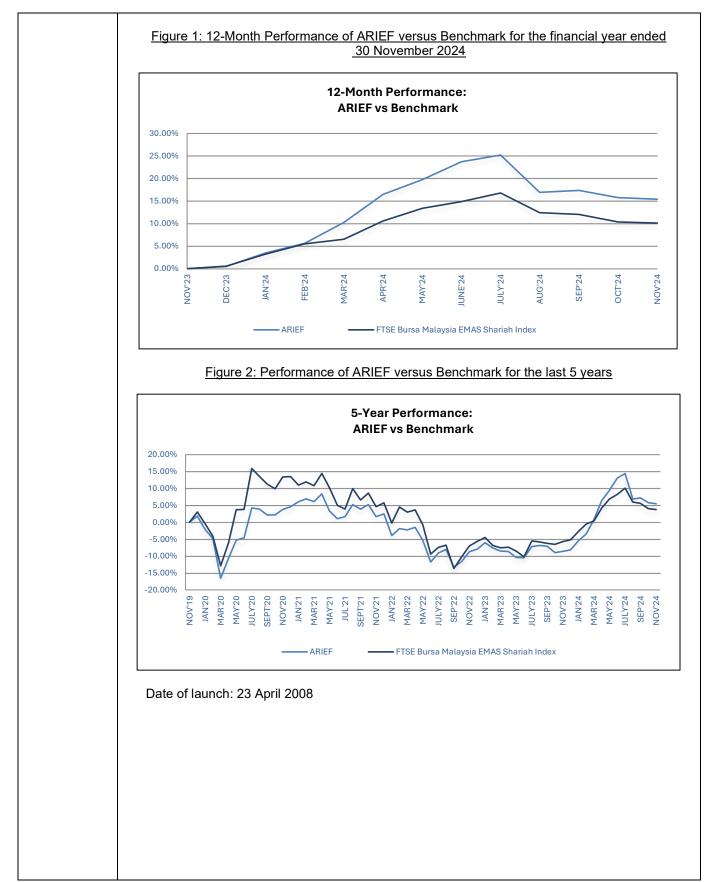

\* Explanation for Differences in Total Expense Ratio ('TER') The lower of TER from previous year is due to the slightly increase of NAV in current year.

# Explanation for Differences in Portfolio Turnover ('PTR')

The lower of PTR from last year is Fund Manager less-active in trading activities during the year under review.

#### AMANAHRAYA ISLAMIC EQUITY FUND MANAGER'S REPORT For the Financial Year Ended 30 November 2024

Fund Performance & Investment Objective	<ul> <li>AmanahRaya Islamic Equity Fund ("ARIEF" or "the Fund") is an Islamic equity fund with investment objective of providing investors with above average capital growth over a medium to long term period by investing in a carefully selected portfolio of Shariah-compliant securities. 	The FBMS closed -0.9 lower over third quarter 2024 ("3Q2024") primarily driven by the asset reallocation of institutional investors towards the financial sector which recorded a major run-up during the quarter by +10.5%. Total foreign inflows 3Q2024 came in at RM3.60 billion with the bulk of the inflows being centered around August 2024. The surge in foreign flows into Malaysia was primarily due to the Federal Reserve's 50bps rate cut which came as expected in September and had resulted in some reallocation of assets out of the United States ("U.S."). Malaysia's reported second quarter 2024 ("2Q2024") GDP figures continued to come in stronger than expected as the country's GDP advanced by 5.9% over the quarter. The strength in the country's GDP growth was underpinned by the higher household spending, an acceleration in exports and an increase in tourist arrivals. The Johor Special Economic Zone saw special attention
	during the quarter as details regarding the tax incentives and benefits of the zone were released over the quarter and would be rolled out at the start of 2025. Capping off the financial year under review in fourth quarter 2024 ("4Q2024"), the FBMS index
	logged a decline of -2.05% amid a reallocation of assets by foreign and domestic institutional funds towards China after the Chinese government announced stimuli that was anticipated to supercharge the slowing Chinese economy back into its growth phase. The FBMS Index started the financial year under review at 10,929 points. The benchmark index fell
	to a low of 10,728 points in December 2023 as trading activity had fallen off closer towards the end of 2023. The FBMS Index closed at 12,034 points, recording a 10.82% return for the financial year under review.
	(Data and commentary are as of 30 November 2024)
Market Outlook	We expect the Malaysian market to maintain its positive trajectory moving into 2025 as the Malaysian economy is anticipated to grow by 4.5% - 5.5% in 2025 as guided by the Malaysian Ministry of Finance ("MOF"). The resiliency is underpinned by the persistent shift in manufacturing capacities and demand away from China into the ASEAN region which would not only result in an increase in activities but also generate economic value for those within these supply chains. The elevated domestic construction activity would continue to drive the economy as more data centres, infrastructure and properties are built to accommodate the growing economy.
	Our optimism is backed by our belief that the Malaysian market remains undervalued illustrated by the FBMS' trailing P/E of 21x on 30 November 2024 against the index's 5-year trailing mean of 24x.
	The underpinning factors could provide some insulation from potential global economic volatilities that may stem from the geopolitical uncertainties in 2025. One of the many uncertainties that may arise would be the incoming Trump administration, while business friendly, could implement aggressive tariffs that aim to shift as much economic activity back to the United States and limit China's technological progress. U.S economic growth is expected to remain within positive territory but a slight slowdown in momentum due to its domestic economic resiliency and could be further driven by further interest rate cuts by the Federal Reserve whom had indicated they intend to cut rates albeit at a slower pace in 2025.
	Source: Wall Street Journal, The Edge, Bloomberg, FOMC, TCB, and MOF
Investment Strategy	Global economic growth is expected to remain stable within positive territory moving into 2025 as central banks look to ease their monetary policies amid the easing inflationary pressures. The U.S economic strength may continue to persist supported by the Trump administration's pro-business policies which would spur domestic and international spending in 2025. Some key risks still remain

Securities Financing Transaction	The Fund has not undertaken any securities lending or repurchase transactions during the financial year under review.
Cross Trade	No cross-trade transactions have been carried out during the financial year under review.
Rebates and Soft Commissions	A soft commission may be retained by the Manager or its delegate for payment of goods and services such as research material, data and quotation services, and investment management tools, which are demonstrably beneficial to the unit holders. Rebates, if any, on stockbroking transactions will be credited to the Fund. All dealings with brokers are executed on terms which are the best available for the Fund. During the financial year under review, the Manager has received soft commissions to pay for research material, data and quotation services which are indirectly beneficial to the unitholders and was no churning of trades.
Significant Changes in the State of Affairs of the Fund	The description and explanation are described in Pages 3 to 5 (under 'Fund Performance & Investment Objective' and under 'Strategy Employed'). Overall, other than those described and explained in these paragraphs, there were no significant changes in the state of affairs of the Fund during the financial year and up to the date of the Manager's Report.
	in the form of the continued softness of Chinese economy which show no signs of abating and the turnaround in monetary policies of historically dovish central banks such as the Bank of Japan which could upend hedging and arbitration policies and result in a domino effect across global capital markets. We have a constructive view on domestic equities on the back of the resilience in economic growth and activity underpinned by the preference by global Multi-National Companies ("MNC") towards Malaysia for its neutrality, high technical knowledge, government stability and relatively cheaper resources. We will maintain high equity exposure due to our positive outlook on the market and will continue to invest in companies with good growth prospects, decent profit margins, strong cash flow and balance sheet. Sector-wise, we continue to favour the construction, technology and manufacturing sectors.

#### STATEMENT BY MANAGER

To the unit holders of AMANAHRAYA ISLAMIC EQUITY FUND

We, Mohd Razlan Bin Mohamed and Mohamad Shafik Bin Badaruddin, being two of the Directors of AMANAHRAYA INVESTMENT MANAGEMENT SDN. BHD., the Manager of AMANAHRAYA ISLAMIC EQUITY FUND ("the Fund"), do hereby state that, in the opinion of the Manager, the financial statements of the Fund for the year ended 30 November 2024, together with the notes thereto, have been properly drawn up in accordance with Malaysian Financial Reporting Standards ("MFRS"), International Financial Reporting Standards ("IFRS"), and the requirements of Securities Commission's Guidelines on Unit Trust Funds in Malaysia so as to give a true and fair view of the financial position of the Fund as at 30 November 2024, and of its financial performance and cash flows for the year then ended.

Signed on behalf of AMANAHRAYA INVESTMENT MANAGEMENT SDN. BHD., being the Manager of AMANAHRAYA ISLAMIC EQUITY FUND, in accordance with a resolution of the Directors dated 22 January 2025.

MOHD RAZLAN BIN MOHAMED Director

MOHAMAD SHAFIK BIN BADARUDDIN Managing Director / Chief Executive Officer

Kuala Lumpur, Malaysia 22 January 2025

#### STATEMENT BY TRUSTEE

To the unit holders of AMANAHRAYA ISLAMIC EQUITY FUND

We, PB Trustee Services Berhad ("the Trustee") have acted as Trustee of AMANAHRAYA ISLAMIC EQUITY FUND ("the Fund") for the year ended 30 November 2024. During the year under review, to the best of our knowledge, we are of the opinion that AmanahRaya Investment Management Sdn. Bhd. ("the Manager") has fulfilled their duties in the following manner:

- 1. The Fund is being managed in accordance with the limitations imposed on the investment powers of the Manager and the Trustee under the Deed, the Securities Commission's Guidelines on the Unit Trust Funds in Malaysia, the Capital Market and Services Act 2007 and other applicable laws;
- 2. The procedures and processes employed by the Manager to value and/or price the units of the Fund are adequate and in accordance with the Deed and relevant regulatory requirements; and
- 3. The sale, repurchase, creation and cancellation of the Fund's units are carried out in accordance with the Deed, the Guidelines and other relevant regulatory requirements.
- 4. The distribution to the unit holders of the Fund is in line with the investment objectives of the Fund.

Yours faithfully

For and on behalf of PB TRUSTEE SERVICES BERHAD (Company No. 7968-T)

CHEAH KUAN YOON Chief Executive Officer

Kuala Lumpur, Malaysia 22 January 2025

#### SHARIAH ADVISER'S REPORT

#### TO THE UNIT HOLDERS OF AMANAHRAYA ISLAMIC EQUITY FUND ("FUND")

We hereby confirm the following:

- 1. To the best of our knowledge, after having made all reasonable enquiries, AmanahRaya Investment Management Sdn. Bhd. has operated and managed the Fund for the period covered by these financial statements namely, the year ended 30 November 2024, in accordance with Shariah principles and requirements, and complied with the applicable guidelines, rulings or decisions issued by the Securities Commission Malaysia pertaining to Shariah matters; and
- 2. The assets of the Fund comprise instruments that have been classified as Shariahcompliant.

For and on behalf of the Shariah Adviser, **BIMB SECURITIES SDN BHD** 

**MUHAMMAD SHAHIER SA'MIN** 

Designated Shariah Person

Kuala Lumpur, Malaysia 22 January 2025

# Independent auditors' report to the unit holders of AmanahRaya Islamic Equity Fund ("the Fund")

#### Report on the audit of the financial statements

#### Opinion

We have audited the financial statements of AmanahRaya Islamic Equity Fund ("the Fund"), which comprise the statement of financial position as at 30 November 2024, and the statement of comprehensive income, statement of changes in equity and statement of cash flows of the Fund for the financial year then ended, and notes to the financial statements, including material accounting policy information, as set out on pages 16 to 41.

In our opinion, the accompanying financial statements give a true and fair view of the financial position of the Fund as at 30 November 2024, and of its financial performance and cash flows for the financial year then ended in accordance with MFRS Accounting Standards and IFRS Accounting Standards.

#### Basis for opinion

We conducted our audit in accordance with approved standards on auditing in Malaysia and International Standards on Auditing. Our responsibilities under those standards are further described in the *Auditors' responsibilities for the audit of the financial statements* section of our report. We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our opinion.

#### Independence and other ethical responsibilities

We are independent of the Fund in accordance with the By-Laws (on Professional Ethics, Conduct and Practice) of the Malaysian Institute of Accountants ("By-Laws") and the International Code of Ethics for Professional Accountants (including International Independence Standards) ("IESBA Code") and we have fulfilled our other ethical responsibilities in accordance with the By-Laws and the IESBA Code.

#### Information other than the financial statements and auditors' report thereon

The Manager of the Fund (the "Manager") is responsible for the other information. The other information comprises the Fund Information, Fund Performance and Manager's Report but does not include the financial statements of the Fund and our auditors' report thereon.

Our opinion on the financial statements of the Fund does not cover the other information and we do not express any form of assurance conclusion thereon.

# Independent auditors' report to the unit holders of AmanahRaya Islamic Equity Fund ("the Fund") (Contd.)

#### Information other than the financial statements and auditors' report thereon (Contd.)

In connection with our audit of the financial statements of the Fund, our responsibility is to read the other information and, in doing so, consider whether the other information is materially inconsistent with the financial statements of the Fund or our knowledge obtained in the audit or otherwise appears to be materially misstated.

If, based on the work we have performed, we conclude that there is a material misstatement of this other information, we are required to report that fact. We have nothing to report in this regard.

#### Responsibilities of the Manager and Trustee for the financial statements

The Manager is responsible for the preparation of financial statements of the Fund that give a true and fair view in accordance with MFRS Accounting Standards and IFRS Accounting Standards. The Manager is also responsible for such internal control as the Manager determines is necessary to enable the preparation of financial statements of the Fund that are free from material misstatement, whether due to fraud or error.

In preparing the financial statements of the Fund, the Manager is responsible for assessing the Fund's ability to continue as a going concern, disclosing, as applicable, matters related to going concern and using the going concern basis of accounting unless the Manager either intends to liquidate the Fund or to cease operations, or have no realistic alternative but to do so.

The Trustee is responsible for overseeing the Fund's financial reporting process. The Trustee is also responsible for ensuring that the Manager maintains proper accounting and other records as are necessary to enable true and fair presentation of these financial statements.

#### Auditors' responsibilities for the audit of the financial statements

Our objectives are to obtain reasonable assurance about whether the financial statements of the Fund as a whole are free from material misstatement, whether due to fraud or error, and to issue an auditors' report that includes our opinion. Reasonable assurance is a high level of assurance, but is not a guarantee that an audit conducted in accordance with approved standards on auditing in Malaysia and International Standards on Auditing will always detect a material misstatement when it exists. Misstatements can arise from fraud or error and are considered material if, individually or in the aggregate, they could reasonably be expected to influence the economic decisions of users taken on the basis of these financial statements.

### Independent auditors' report to the unit holders of AmanahRaya Islamic Equity Fund ("the Fund") (Contd.)

#### Auditors' responsibilities for the audit of the financial statements (Contd.)

As part of an audit in accordance with approved standards on auditing in Malaysia and International Standards on Auditing, we exercise professional judgement and maintain professional skepticism throughout the audit. We also:

- Identify and assess the risks of material misstatement of the financial statements of the Fund whether due to fraud or error, design and perform audit procedures responsive to those risks, and obtain audit evidence that is sufficient and appropriate to provide a basis for our opinion. The risk of not detecting a material misstatement resulting from fraud is higher than for one resulting from error, as fraud may involve collusion, forgery, intentional omissions, misrepresentations, or the override of internal control.
- Obtain an understanding of internal control relevant to the audit in order to design audit procedures that are appropriate in the circumstances, but not for the purpose of expressing an opinion on the effectiveness of the Fund's internal control.
- Evaluate the appropriateness of accounting policies used and the reasonableness of accounting estimates and related disclosures made by the Manager.
- Conclude on the appropriateness of Manager's use of the going concern basis of accounting and, based
  on the audit evidence obtained, whether a material uncertainty exists related to events or conditions that
  may cast significant doubt on the Fund's ability to continue as a going concern. If we conclude that a
  material uncertainty exists, we are required to draw attention in our auditors' report to the related
  disclosures in the financial statements of the Fund or, if such disclosures are inadequate, to modify our
  opinion. Our conclusions are based on the audit evidence obtained up to the date of our auditors' report.
  However, future events or conditions may cause the Fund to cease to continue as a going concern.
- Evaluate the overall presentation, structure and content of the financial statements of the Fund including the disclosures, and whether the financial statements of the Fund represent the underlying transactions and events in a manner that achieves fair presentation.

We communicate with the Manager regarding, among other matters, the planned scope and timing of the audit and significant audit findings, including any significant deficiencies in internal control that we identify during our audit.

#### Independent auditors' report to the unit holders of AmanahRaya Islamic Equity Fund ("the Fund") (Contd.)

#### Other matters

This report is made solely to the unit holders of the Fund, as a body, in accordance with the Guidelines on Unit Trust Funds issued by Securities Commission Malaysia and for no other purpose. We do not assume responsibility to any other person for the content of this report.

#### NOTES TO THE FINANCIAL STATEMENTS - 30 NOVEMBER 2024

#### 1. THE FUND, THE MANAGER AND THEIR PRINCIPAL ACTIVITIES

AMANAHRAYA ISLAMIC EQUITY FUND (hereinafter referred to as "the Fund") was constituted pursuant to the execution of the Deed dated 24 November 2006, and Supplemental Deeds between the Manager, the Trustee, PB Trustee Services Berhad and the Registered Holders of the Fund. With effect from 21 January 2010, AmanahRaya Investment Management Sdn. Bhd. ("ARIM") was appointed as the Manager for the Fund, replacing AmanahRaya Unit Trust Management Sdn. Bhd. ("ARUTM") through a business transfer exercise.

The principal activity of the Fund is to invest in "Authorised Investments" as defined under the Seventh Schedule of the Supplemental Deed. The "Authorised Investments" mainly include Shariah-compliant securities, Islamic accepted bills, Islamic deposits, Islamic negotiable instruments and Islamic collective investment schemes. The Fund commenced operations on 23 April 2008 and will continue its operations until terminated by the Trustee as provided under Clause 12 of the Deed.

ARIM is a company incorporated in Malaysia and is a wholly-owned subsidiary company of Amanah Raya Berhad ("ARB"), a public limited liability company, incorporated and domiciled in Malaysia. The principal activities of ARIM are those of fund management, as defined under Schedule 2 of the Capital Markets & Services Act 2007 ("CMSA"), as well as the marketing and management of unit trust funds.

The financial statements were authorised for issue by the Board of Directors of ARIM in accordance with a resolution of the Directors on 22 January 2025.

#### 2. SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES

#### 2.1 Basis of Preparation

The financial statements of the Fund have been prepared on a historical cost basis, except as otherwise stated in the accounting policies and comply with Malaysian Financial Reporting Standards ("MFRS"), International Financial Reporting Standards ("IFRS") and the requirements of Securities Commission's Guidelines on Unit Trust Funds in Malaysia.

The audited financial statements are presented in Ringgit Malaysia ("RM").

The significant accounting policies adopted are consistent with those applied in the previous financial year end except for the adoption of new MFRSs, Amendments to MFRSs and IC Interpretations which are effective for the financial year beginning on or after 1 December 2023. These new MFRSs, Amendments to MFRSs and IC Interpretations did not give rise to any significant effect on the financial statements.

#### NOTES TO THE FINANCIAL STATEMENTS - 30 NOVEMBER 2024

\* These MFRSs, Amendments to MFRSs and IC Interpretations are not relevant to the Fund.

Except for MFRS 18, these new MFRSs, Amendments to MFRSs and IC Interpretations are not expected to have any significant impact to the financial statements upon their initial application.

The Fund is currently in the process of assessing the potential effects of MFRS 18.

#### NOTES TO THE FINANCIAL STATEMENTS - 30 NOVEMBER 2024

#### 2. SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES (CONTD.)

#### 2.2 Summary of Significant Accounting Policies

#### (a) Financial Instruments

Financial assets are recognised in the statement of financial position when, and only when, the Fund becomes a party to the contractual provisions of the financial instrument.

The Fund recognises financial assets and financial liabilities in the Statement of Financial Position on the date it becomes a party to the contractual provisions of the instruments.

Regular way purchase and sales of all categories of investments in financial instruments are recognised on trade dates i.e. dates on which the Fund commits to purchase or sell the financial instruments.

The Fund determines the classification of its financial assets and financial liabilities at initial recognition, and the categories include financial assets at fair value through profit or loss and financial assets at amortised cost.

#### (b) Financial Assets

Financial assets are initially recognised at fair value plus transaction costs for all financial assets not carried at FVTPL. Financial assets carried at FVTPL are initially recognised at fair value, and transaction costs are expensed in profit or loss. Trade receivables are measured at their transaction price.

#### Financial assets at fair value through profit or loss

Financial assets classified as financial assets at fair value through profit or loss are all financial assets acquired for the purpose of generating a profit from short-term fluctuations in price, or financial assets that qualify for neither held at amortised cost nor at fair value through other comprehensive income ("FVOCI").

Subsequent to initial recognition, financial assets at fair value through profit or loss are measured at fair value with gain and loss recognised in profit or loss.

The fair values of quoted Shariah-compliant investments are determined by reference to last done prices at the close of the business at the reporting date.

#### NOTES TO THE FINANCIAL STATEMENTS - 30 NOVEMBER 2024

#### 2. SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES (CONTD.)

#### 2.2 Summary of Significant Accounting Policies (Contd.)

#### (b) Financial Assets (contd.)

#### Financial assets carried at amortised cost

Financial assets are measured at amortised cost if the assets held within a business model whose objective is to hold financial assets in order to collect contractual cash flows which represent solely payments of principal and profit.

Financial assets at amortised cost require the use of the effective profit method and are subject to MFRS 9 impairment rules.

#### (c) Impairment of financial assets

The Fund applies the Expected Credit Loss model ("ECL") to financial assets measured at amortised cost. The amount of ECL is updated at each reporting date to reflect changes in credit risk since initial recognition.

For amount due from Manager and other receivables, the Fund applies the simplified approach to measure lifetime expected credit losses at all times.

When an asset is uncollectible, it is written off against the related allowance account. Such assets are written off after all the necessary procedures have been completed and the amount of the losses have been determined.

#### (d) Financial Liabilities

Financial liabilities are classified according to the substance of the contractual arrangements entered into and the definitions of a financial liabilities.

Financial liabilities, within the scope of MFRS 9, are recognised in the statement of financial position when, and only when, the Fund becomes a party to the contractual provisions of the financial instrument.

The Fund includes in this category the amount due to Manager and other short term payables. Financial liabilities are recognised initially at fair value plus directly attributable transaction costs and subsequently measured at amortised cost using the effective profit method.

A financial liability is derecognised when the obligation under the liability is extinguished. Gains and losses are recognised in profit or loss when the liabilities are derecognised.

#### NOTES TO THE FINANCIAL STATEMENTS - 30 NOVEMBER 2024

#### 2. SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES (CONTD.)

#### 2.2 Summary of Significant Accounting Policies (Contd)

#### (e) Unit holders' Capital

The unit holders' contributions to the Fund meet the definition of puttable instruments classified as equity instruments.

#### (f) Cash and Cash Equivalents

For the purpose of statement of cash flows, cash and cash equivalents comprise cash at bank and Islamic deposits with financial institutions which have an insignificant risk of changes in value.

#### (g) Income Recognition

Income is recognised to the extent that it is probable that the economic benefits will flow to the Fund and the income can be reliably measured. Income is measured at the fair value of consideration received or receivable.

Profit income is recognised using the effective profit method.

#### (h) Taxation

Current tax assets and liabilities are measured at the amount expected to be recovered from or paid to the tax authorities. The tax rates and tax laws used to compute the amount are those that are enacted or substantially enacted at the reporting date.

#### (i) Significant Accounting Estimates and Judgements

The preparation of the Fund's financial statements requires the Manager to make judgments, estimates and assumptions that affect the reported amounts of revenues, expenses, assets and liabilities and the disclosure of contingent liabilities at the reporting date. However, uncertainty about these assumptions and estimates could result in outcomes that require a material adjustment to the carrying amount of the asset or liability in the future.

#### NOTES TO THE FINANCIAL STATEMENTS - 30 NOVEMBER 2024

#### 3. MANAGEMENT FEES

Clause 13.1.2 of the Deed provides that the Manager is entitled to a fee not exceeding 1.50% per annum of Net Asset Value ("NAV") attributable to the unit holders of the Fund, calculated and accrued daily as agreed between the Manager and Trustee.

The management fee charged for the financial year ended 30 November 2024 is 1.50% per annum (2023: 1.50% per annum) of the NAV of the Fund. The calculation of management fee during the year is based on 365 days.

#### 4. TRUSTEE'S FEES

Clause 13.2.2 of the Deed provides that the Trustee is entitled to a fee not exceeding 0.08% per annum of NAV attributable to the unit holders of the Fund, calculated and accrued daily subject to a minimum fee of RM18,000 per annum.

The Trustee's fee charged for the financial year ended 30 November 2024 is 0.08% per annum (2023: 0.08% per annum) of the NAV of the Fund, subject to a minimum fee of RM18,000 per annum. The calculation of trustee fee during the year is based on 365 days.

#### 5. TAXATION

Income tax is calculated at the Malaysian statutory tax rate of 24% (2023: 24%) of the estimated assessable income for the financial year.

Taxation is calculated on investment income less partial deduction for permitted expenses as provided for under Section 63B of the Income Tax Act, 1967. The effective tax rate does not approximate the statutory tax rate mainly due to income exempted from tax in accordance with Section 6 of the Income Tax Act, 1967.

A reconciliation of income tax expense applicable to net income before tax at the statutory rate of taxation to income tax expense at the effective rate of taxation is as follows:

	2024 RM	2023 RM
Net income before taxation	1,290,680	16,237
Taxation at Malaysian statutory rate of taxation of 24% (2023: 24%) Tax effects of:	309,763	3,897
Income not subject to tax	(370,723)	(63,221)
Expenses not deductible for tax purposes	22,006	24,601
Tax deductible expenses not fully utilised Restriction on tax deductible expenses for unit	3,895	3,472
trust funds	35,059	31,251
Tax expense for the financial year	-	-

#### NOTES TO THE FINANCIAL STATEMENTS - 30 NOVEMBER 2024

#### 6. DISTRIBUTION FOR THE YEAR

Distribution to the unit holders are made from the following sources:-

	2024 RM	2023 RM
Realised profit on Islamic deposits	30,244	-
Realised gain on sale of investments	155,832	-
Dividend income	259,884	-
	445,960	-
Less: Expenses	(253,998)	-
	191,962	-
Gross distribution per unit	1.00 sen	-
Net distribution per unit	1.00 sen	-

Gross distribution per unit is derived from gross realised income less expenses divided by the number of units in circulation, while net distribution per unit is derived from gross realised income less expenses and taxation divided by the number of units in circulation.

#### 7. QUOTED SHARIAH-COMPLIANT INVESTMENTS

	2024 RM	2023 RM
Shariah-compliant equity securities	8,034,516	8,147,017

The Fund's Shariah-compliant investments are classified as financial asset at fair value through profit or loss. The market prices are determined by reference to the last prices at the close of trading as published by Bursa Malaysia Securities Berhad.

The composition of quoted Shariah-compliant equity securities as at 30 November 2024 are as follows:

	17,334,400	100.00	61,005	100.00

The dealings with the above dealer companies have been transacted at arm's length based on the normal terms in the stockbroking industry. None of the parties mentioned above is related to the Manager.

#### 16. PORTFOLIO TURNOVER RATIO

	2024	2023
Portfolio Turnover Ratio ("PTR")	0.89 times	1.07 times

PTR is the ratio of the average of acquisition and disposals of Shariah-compliant investments for the year to the average net asset value of the Fund for the year calculated on a daily basis.

#### NOTES TO THE FINANCIAL STATEMENTS - 30 NOVEMBER 2024

#### **17. TOTAL EXPENSE RATIO**

	2024	2023
Total Expense Ratio ("TER")	1.97%	2.01%

TER is the ratio of the sum of fees and recovered expenses of the Fund to the average net asset value of the Fund for the year calculated on a daily basis.

#### **18. FINANCIAL INSTRUMENTS**

#### **Fair Values**

The following methods and assumptions are used to estimate the fair values of the following classes of financial instruments:

# (i) Cash at bank, Islamic deposits with financial institutions, other receivables, amount due from Manager and other payables

The carrying balances approximate the fair values due to the relatively short-term maturity of these financial instruments.

#### (ii) Financial instruments that are carried at fair value

The Fund's investments at FVTPL are carried at the fair value.

#### (iii) Fair Value Hierarchy

The Fund uses the following hierarchy for determining and disclosing the fair value of financial instruments by valuation technique:

- Level 1: Quoted prices (unadjusted) in active markets for identical assets or liabilities.
- Level 2: Inputs other than quoted prices included within Level 1 that are observable for the asset or liability, either directly (i.e. prices) or indirectly (i.e. derived from prices).
- Level 3: Inputs for the asset or liability that are not based on observable market data (unobservable inputs).

As at 30 November 2024 and 30 November 2023, the Shariah-compliant investments are categorised under Level 1.

There were no transfers between Level 1 and Level 2 for both financial year ended.

#### NOTES TO THE FINANCIAL STATEMENTS - 30 NOVEMBER 2024

#### **19. INVESTMENT SEGMENT INFORMATION**

The Manager of the Fund is responsible for allocating resources available to the Fund in accordance with the overall investment strategies as set out in the Investment Guidelines of the Fund. The Fund is managed into one main operating segment which invests in various financial instruments. The following table provides information by financial instruments:

#### 1.12.2023 to 30.11.2024

#### NOTES TO THE FINANCIAL STATEMENTS - 30 NOVEMBER 2024

#### 20. FINANCIAL RISK AND MANAGEMENT POLICIES

#### (a) Introduction

The Fund is exposed to a variety of financial risks, including market risk (which consists of only interest rate risk), credit risk, liquidity risk and Shariah status reclassification risk. The overall financial risk management objective of the Fund is to mitigate capital losses.

Financial risk management is carried out through policy reviews, internal control systems and adherence to the investment powers and restrictions stipulated in the Securities Commission's Guidelines on Unit Trust Funds in Malaysia and the Deed of the Fund.

#### (b) Market Risk

Market risk arises when the fair value or future cash flows of financial instruments fluctuate in response to the activities of individual companies and general market or economic conditions. The market risk is managed through a combination of diversification of investment strategy and also the portfolio asset allocation.

The Fund's market risk is affected primarily the following risks:

#### (i) Equity price risk

Equity price risk is the risk of unfavourable changes in the fair values of Shariahcompliant equities as the result of changes in the levels the value of individual Shariah-compliant shares. The equity price risk exposure arises from the Fund's quoted Shariah-compliant equity investments. The Fund manages this risk by investing in a variety of industries within Bursa Malaysia KLCI.

The Manager's best estimate of the effect on the other comprehensive income for a year due to a reasonably possible change of individual Shariah-compliant shares, with all other variables held constant is indicated in the table below. In practice, the actual trading results may differ from the sensitivity analysis below and the difference could be material. An equivalent decrease in each of the indices shown below would have resulted in an equivalent, but opposite, impact.

#### NOTES TO THE FINANCIAL STATEMENTS - 30 NOVEMBER 2024

#### 20. FINANCIAL RISK AND MANAGEMENT POLICIES (CONTD.)

- (b) Market Risk (Contd.)
  - (i) Equity price risk (Contd.)

Sha		Effects on total comprehensive income for the year Increase/ (decrease) RM	Effects on Shariah- compliant equity Increase/ (decrease) RM
2024	+10	803,452	803,452
	-10	(803,452)	(803,452)
2023	+10	814,702	814,702
	-10	(814,702)	(814,702)

#### (ii) Interest rate risk sensitivity

The following table demonstrates the sensitivity of the Fund's profit/(loss) for the year and other comprehensive income to a reasonably possible change in interest rates, with all other variables held constant. The sensitivity is in the effect of the assumed changes in interest rates on the net profit income for one year, based on the profit rate of the financial assets held at the reporting date.

	Changes in basis point*	Effects on Profit and NAV Increase/ (decrease) RM
2024	+25 -25	39 (39)
2023	+25 -25	3 (3)

\* The assumed changes in basis points for interest rate sensitivity analysis are based on the currently observable market environment.

#### NOTES TO THE FINANCIAL STATEMENTS - 30 NOVEMBER 2024

#### 20. FINANCIAL RISK AND MANAGEMENT POLICIES (CONTD.)

#### (b) Market Risk (Contd.)

#### (ii) Interest rate risk sensitivity (Contd.)

The above interest rate is a general economic indicator that will have an impact on the management of the Fund regardless whether it is an Islamic unit trust fund or otherwise. It does not in any way suggest that this Fund will invest in conventional financial instruments. All the investments carried out for the Fund are in accordance with Shariah requirements.

#### (c) Credit Risk

Credit risk refers to the ability of an issuer or a counterparty to make timely payments of profit, principal and proceeds from realisation of investments. The Manager manages the credit risk by setting counterparty limits and undertaking credit evaluation to minimise such risk.

As at reporting date, the Fund's maximum exposure to credit risk is represented by the carrying amount of Islamic deposits with financial institutions and other receivables recognised in the statement of financial position.

#### Credit quality of financial assets

The following analyses the Fund's Islamic deposits with financial institutions and other receivables by rating category:

Credit rating	2024 RM	2023 RM
A-	1,199,060	482,140
AA1	1,026,308	-
Unrated	12,530	28,390
	2,237,898	510,530

#### NOTES TO THE FINANCIAL STATEMENTS - 30 NOVEMBER 2024

#### 20. FINANCIAL RISK AND MANAGEMENT POLICIES (CONTD.)

#### (d) Liquidity Risk

The Fund maintains sufficient levels of Islamic liquid assets, after consultation with the Trustee, to meet anticipated payments and cancellation of units by unit holders. Islamic liquid assets comprise cash, Islamic deposits with financial institutions and other instruments, which are easily converted into cash. The Fund's policy is to always maintain a prudent level of Islamic liquid assets so as to reduce the liquidity risk.

The following table summarises the maturity profile of the Fund's financial liabilities:

	Less than 1 month RM	1 month - 3 months RM	Total RM
2024			
Financial liabilities:			
Amount due to the Brokers	329,991	-	329,991

	RM	RM	RM
2023			
Financial liabilities:			
Amount due to the Manager	10,661	-	10,661
Amount due to the Trustee	11,652	-	11,652
Other financial liabilities		30,800	30,800
	22,313	30,800	53,113

#### (e) Risk management structure

The Fund's Manager is responsible for identifying and controlling risks. The Board of Directors of the Manager is ultimately responsible for the overall risk management approach within the Fund.

#### NOTES TO THE FINANCIAL STATEMENTS - 30 NOVEMBER 2024

#### 20. FINANCIAL RISK AND MANAGEMENT POLICIES (CONTD.)

#### (f) Shariah Status Reclassification Risk

#### Shariah-compliant equity securities

The risk refers to the risk that the currently held Shariah-compliant equity securities in the portfolio of the Fund may be reclassified as Shariah non-compliant in the periodic review of the securities by the SAC of the SC. If this occurs, the Manager will take the necessary steps to dispose of such securities.

Opportunity loss could occur due to the restriction on the Fund to retain the excess capital gains derived from the disposal of the reclassified Shariah non-compliant securities. In such an event, the Fund is required:

- (i) to dispose of such securities with immediate effect or within one (1) calendar month if the value of the securities exceeds or is equal to the investment cost on the reclassification effective date by the SAC of the SC. The Fund is allowed to keep dividends received and capital gains from the disposal of the securities up to the reclassification effective date. However, any dividends received and excess capital gains from the disposal of the Shariah non-compliant securities after the reclassification effective date should be channelled to baitulmal and/or charitable bodies as advised by the Shariah Adviser;
- (ii) to hold such securities if the value of the said securities is below the investment cost on the reclassification effective date until the total subsequent dividends received (if any) and the market price of the securities is equal to the cost of investment at which time disposal has to take place within one (1) calendar month, excess capital gains (if any) from the disposal of the securities should be channelled to *baitulmal* and/or charitable bodies as advised by the Shariah Adviser;
- (iii) to dispose of such securities at a price lower than the investment cost which will result in a decrease in the Fund's value.

#### Islamic deposits or Islamic collective investment schemes

This risk refers to the risk of a possibility that the currently held Islamic deposits or Islamic collective investment schemes invested by the Fund may be declared as Shariah non-compliant by the relevant authority or the Shariah Adviser. If this occurs, the Manager will take the necessary steps to dispose of or withdraw such deposits or collective investment schemes.

#### (g) Risk measurement and reporting system

Monitoring and controlling risks is primarily set up to be performed based on limits established by the Manager and Trustee. These limits reflect the investment strategy and market environment of the Fund as well as the level of the risk that Fund is willing to accept. In addition, the Fund monitors and measures the overall risk bearing capacity in relation to the aggregate risk exposure across all risks type and activities.

#### NOTES TO THE FINANCIAL STATEMENTS - 30 NOVEMBER 2024

#### 20. FINANCIAL RISK AND MANAGEMENT POLICIES (CONTD.)

#### (h) Risk mitigation

The Fund has investment guidelines that set out its overall business strategies, its tolerance for risk and its general risk management philosophy. The Manager also has a Compliance Department to ensure that the Fund complies with the various regulations and guidelines as stipulated in its Trust Deed, the Securities Commission's Guidelines on Unit Trust Funds and the Capital Markets and Services Act, 2007.

The Manager will take reasonable steps to ensure that the above potential risks are managed by:

- Actively monitoring the Fund's asset allocation to ensure minimum impact from any adverse market movements. The Manager will ensure that the investments are carefully selected through fundamental analysis and portfolio diversification.
- Investing the Fund over a wide range of investments of different companies which provides diversification across a number of sectors and industries, minimising the risk not only of any single company's issuance becoming worthless, but also of all holdings suffering uniformly adverse business conditions.

The Manager will seek to reduce all these risks as associated with the Fund by virtue of its experience, by adopting the analytical process and by structuring a broadly diversified investment pool.

#### (i) Excessive risk concentration

Concentration indicates the relative sensitivity of the Fund's performance to developments affecting a particular industry or geographical location. Concentrations of risk arise when a number of financial instruments or contracts are entered into with the same counterparty, or where a number of counterparties are engaged in similar business activities, or activities in the same geographic region, or have similar economic features that would cause their ability to meet contractual obligations to be similarly affected by changes in economic, political or other conditions.

In order to avoid excessive concentration of risk, the Fund's policies and procedures include specific guidelines to focus on maintaining a diversified portfolio in accordance with the Fund's Trust Deed, the Manager's guidelines and the Securities Commission's Guidelines on Unit Trust Funds. Portfolio diversification across a number of sectors and industries minimises the risk not only of any single company's securities becoming worthless but also of all holdings suffering uniformly adverse business conditions. Specifically, the Fund's Trust Deed and Securities Commission's Guidelines on Unit Trust Funds limits the Fund's exposure to a single entity/industry sector to a certain percentage of its NAV.
